
Register and you can post in here for any help

Posted by Handley - 2008/07/15 23:23

Make an account... and you can post here or anywhere else on this forum for help with any questions you may have - whether it be for more information about a specific project, how to do something, request directive, or just to give some commendation (hopefully) to the site.

We will answer posts as immediately as we can.
